Our Members & Volunteers...

Received a discounted rate on our fall arts trip in October to the Reynolda House Museum of American Art in Winston-Salem, North Carolina to see the special exhibitions The Artist’s Garden: American Impressionism and the Garden Movement, 1887-1920 and Love & Loss.

Received a discounted rate on our spring arts trip in April to the Fralin Museum of Art at the University of Virginia in Charlottesville to see Jacob Lawrence: Struggle... From the History of the American People. The trip also included lunch and a wine tasting at Veritas Vineyard and Winery.

Several volunteers took advantage of the opportunity to audit Randolph College art history courses for free. Course auditing is offered to volunteers as both a supplement to their training and as a benefit of volunteering. During the fall semester seven volunteers audited art history courses and in the spring seven audited courses.

Members were also invited to several events related to the special exhibition Venetian Visions Selections from the National Gallery, London such as a private preview reception in November 2015 and Carnevale in February 2016. Also in September 2015, Maier members at the Friends ($100) level and higher were invited to a private lunch with Sir Nicholas Penny, Director of the National Gallery, London (2008-2015).

Despite our efforts to avoid errors, occasionally they occur in producing the Maier Museum of Art at Randolph College’s Honor Roll. If your name has been accidentally omitted or you feel that information was reported incorrectly, please notify us and accept our sincere apologies.
