

HONOR ROLL

SUPPORT FOR THE MAIER MUSEUM OF ART AT RANDOLPH COLLEGE

JULY 1, 2018 – JUNE 30, 2019

The Maier Museum of Art at Randolph College depends on the generosity of our members and volunteers for crucial support of exhibitions, programs, community outreach, education, collections management, acquisitions, and more!

Our Members supported...

- The printing and national mailing of both the fall 2018 and spring 2019 newsletters.
- Expenses related to spring and summer exhibitions as well as educational programming throughout the year.
- Two paid internships(\$2,500/320 hours) for Randolph College students Sara Garcia '18 (Generalist Intern) and Sara Primm '19 (Education Intern) in the summer of 2018.
- Expenses related to the 27th Annual Helen Clark Berlind Symposium, supplemented by the Berlind Endowment Fund.
- Louise Jordan Smith's 151st Birthday Celebration, held in March 2019.

Our Volunteers...

- Contributed over 2,291 hours as receptionists, guiding and assisting tours, and participating in training sessions.
- Facilitated "Art & SOL" tours for all of Lynchburg City Schools' 5th grade. *The Art & SOL program, in its 24th year, is a collaboration with the Lynchburg City Schools' Partners in Education program. The tours are offered to schools for free and are centered around the Commonwealth's "Standards of Learning" (SOLs).*
- Led monthly Arts Fusion discussions for persons in the early stages of Alzheimer's and related dementias, along with their caregivers.
Arts Fusion is partnership with the Alzheimer's Association, Central and Western Virginia Chapter. Each hour-long discussion centered on one or two works of art in the Randolph College collection and provided a welcoming space to talk in small groups.
- Led monthly Spotlight Tours on first Sundays at 2 p.m. (15 minutes, one work of art). *Tours were not held in*

Rebecca Smith, *Ross Ice Shelf, Antarctica*, 2006, oil paint on steel. Gift of the artist, 2018. Photograph of the work installed in Randolph College's student center.

January, March, or April due to conflicting events or the closing of the Museum for College breaks.

- Provided tours for organizations such as:
 - Cottage School Sketchers
 - Freedom School (The Listening)
 - Beverly Street Art School
 - Sweet Briar College's Young Writers
 - "Waterfront Women"
 - Amherst & Seven Hills Art Club
 - Summit Independent Living

Curator of Education, Laura McManus, discusses a work of art in the 107th Annual Exhibition, *Zeitgeist: The Art Scene of Teenage Basquiat* with a visitor.

OUR MEMBERS & VOLUNTEERS...

were offered a discounted rate on a day trip to the Virginia Museum of History & Culture in Richmond on April 12 for a tour of the exhibition, *Fresh Paint: Murals Inspired by the Story of Virginia*. Attendees also visited the Virginia Museum of Fine Arts next door on their own.

In September, members at the \$100 Friend level and higher were invited to attend the Annual Director's Luncheon with visiting scholar Alan Crookham, Research Centre Manager at the National Gallery, London. Members at the \$100 Friend level or higher were also offered two complimentary tickets to the Forte Chamber Music's A Summer Concert held at the Maier in June.

Several volunteers took advantage of the opportunity to audit a Randolph College art history course each semester at no charge. Course auditing is offered as a volunteer benefit, as well as a supplement to training.

Volunteer training and programs were held most Mondays throughout the year. These included art documentary screenings, lectures, workshops, and group discussions.
